DETAILED ACTION

Allowable Subject Matter

1. Claims 1-27 allowed.
2. The following is an examiner's statement of reasons for allowance: the prior arts in the record fail to disclose and make obvious to a method and system detect a matching flow identification between a recently-received incoming packet with at least one packet selected from a set of outgoing packets; and in response to the matching flow identification detection, mitigate unbalanced bandwidth allocation due to congestion-problem flows by reducing the processing priority of at least one of: said at least one selected packet, and the recently-received packet within a structure of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
